## About the Conference:

After the successful completion of the 4<sup>th</sup> Indo-US Conference Series with great pride and honor announcing its 5<sup>th</sup> International Conference on Modern Trends, Challenges in Pharmaceutical Technology & Sciences which is going to held in Warangal, Telangana on December 03-04, 2019. This conference includes a wide range of Keynote presentations, plenary talks, Symposia, Workshops, Exhibitions, Poster presentations and Career development programs.

It is a multidisciplinary program with broad participation with members from around the globe focused on learning about formulations and drug delivery and its advances. This is your best opportunity to reach the largest assemblage of participants from Pharma research community that is from academia, drug delivery entities, medical groups, related associations, societies and also from government agencies, pharmaceutical, biomedical and medical device industries.

Conference Provides a platform for discuss of various disciplines involved in the drug formulation procedures and drug delivery technologies; it will educate health care researchers about design, operation, organizing, research computing, regulatory aspects and reporting of formulations. This conference conduct presentations, distribute information, meet with current and potential scientists, make a splash with new pharma research developments, and receive name recognition at this 2-days event. World renowned speakers and the most recent techniques, developments, the newest updates in formulations and drug delivery are hallmarks of this conference.

## About the Institution :

**Pathfinder Institute of Pharmacy Education & Research** was started in the year 2007 in Warangal District with the approval of AICTE, PCI and affiliated to Kakatiya University. The programmes offered by college are designed by Kakatiya University to incorporate a blend of knowledge, skills, and the right attitude. The syllabus of each programme is designed to enable the students to be at par with the needs of the industry. The college is well equipped with fully ventilated laboratories and class rooms creating conducive academic atmosphere for the students to study, and with necessary amenities for co curricular and extra-curricular activities. The Management has taken care to see that the students are offered with quality education comparable to the very best at the global level. The Management is really overwhelmed with joy that the students going with lable as PIPERians are well placed in the organizations reputed at global level

## Expected Delegates:

- Students of B.Pharm/M.Pharm/Pharm.D
- Research scholars and faculty of all AICTE/PCI approved colleges

## Call for Abstract:

Abstracts should be received on or before 15 Nov 2019.

All Abstract narratives should not be more than 250 words. Use Times New Roman font, size 12 and single spacing. The best selected abstracts will be called for full manuscript submission for publication in UGC approved Journal.

Abstracts should be mailed to [conferencepiper@gmail.com](mailto:conferencepiper@gmail.com)

## Topics for Poster/podium presentations :

All the areas falling under Pharmaceutical sciences are entertained for the presentation, which includes:

PCEU: Pharmaceutics & Industrial Pharmacy

PCOL: Pharmacology & Clinical Pharmacy
